An education fair designed to help students planning to study abroad

Driven by a vision to help Indian students seeking better educational opportunities abroad, Subhakar and Srikar Alapati founded Global Tree Overseas Education in 2006. “Over the years, the company has evolved into a one-stop platform for students to recognise their potential, discover their options and gain access to the best courses in universities across the world,” says Subhakar, director of the company, adding, “We provide counselling, assistance in filing applications and even guidance to prepare for entrance tests for foreign universities. Using our expertise, we have been successfully placing students in top universities globally and helping them broaden their career prospects.”

Subhakar Alapati, who has been a part of various television talk shows and discussions, takes pride in having expertise in placing students in sought after educational hubs across the world like USA, United Kingdom, Australia, Canada, New Zealand, Germany and more. “Today, the company also provides immigration assistance to professionals and students for all major countries.

By forging partnerships with universities globally, we have repeatedly been awarded for excellent services in the domain of overseas education. We have also acquired valuable and esteemed certifications and recognitions by international associations like AAERI, AIRC, Education Certificate for UK etc. Today we have more than 10 offices across major Indian cities,” he adds.

Global Tree is hosting a study expo in Hyderabad on September 11. “We will have university representatives from 50 plus North American universities to clear all doubts students have about appli-

cations, admission requirements, eligibility and post study work opportunities for various Bachelors, Masters and PhD courses. Students will also have the opportunity to get spot admission letters from the universities, assistance with profile evaluation, application fees waivers, guaranteed scholarships etc,” says Subhakar.
