

Want to study in Australia? This study fair can help you get closer to your dream

With the pandemic finally in the rear-view mirror and the global situation getting under control to most extent, the doors have opened for aspiring students to explore opportunities to pursue education overseas. As one of the fastest growing economies in the world, there is a great demand among Indians to pursue higher studies abroad.

Srikar Alapati, Managing Director, Global Tree, who has substantial experience in effectively guiding students in the field of overseas education, says, "One of the key factors driving students to go overseas to study is the quality education that is provided abroad. Post Study Work (PSW) visas which students can obtain after completion of studies in the respective country, also makes it an attractive proposition. The top 5 countries which are popular among Indian students for higher education are USA, UK, Canada, Australia and UAE."

On December 1, 2021, Australia reopened doors for international students, bringing a huge sigh of relief among thousands of students who had long awaited this development.

WHY AUSTRALIA IS A PREFERRED DESTINATION TO STUDY ABROAD

- High quality education with several universities holding global rankings below 50 & 100
- Highly safe, with financial protection for students offered under the Education Services for Overseas Students (ESOS) Act
- Comfortable and moderate climatic conditions, without extreme temperatures
- Minimum of three years PSW throughout Australia, Regional Zone 1 – 5 years and Zone 2 – 6 years

Srikar Alapati

- Excellent scholarships ranging from 15-50%
- Ample job opportunities resulting from the resource crisis which arose with borders being closed for 22 months

A ONE-STOP DESTINATION TO HELP REALISE YOUR DREAMS

With its upcoming 'Study Fair', Global Tree offers an opportunity for aspirants to interact with officials from various universities and understand the necessary admission procedures and get one step

closer to realising their dreams. The Study Fair will be held at Hyatt Place on July 30, 2022.
