

THE TIMES OF INDIA

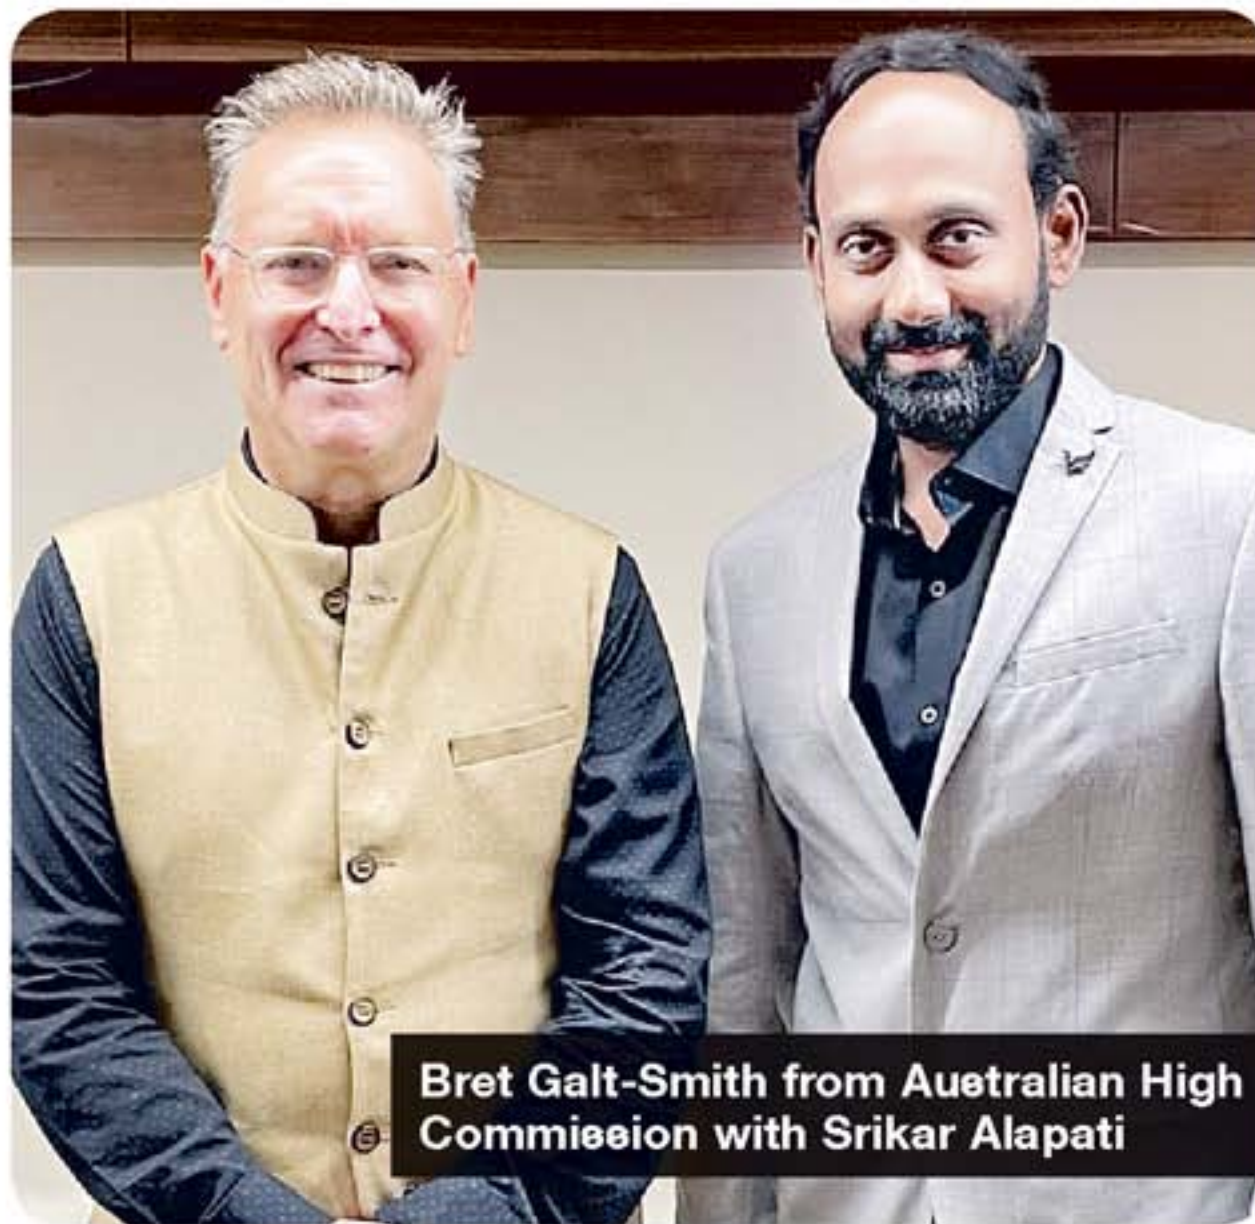

This study fair can help students **aspiring to study in Australia**

One of the most sought-after destinations to pursue higher studies, Australia closed its borders in March 2020 and was one of the last countries to open doors for international students in December 2021. Since then, Australia has emerged as a popular destination for international students.

WHY CHOOSE AUSTRALIA?

- More than 4,23,000 job vacancies as per Australian Bureau of Statistics
- Underemployment rate at 5.7%, a 14-year low
- Underutilisation rate at a 40-year low
- Availability of full-time jobs during studies
- Substantial increase in earnings for part-time and full-time jobs
- English-speaking and student-friendly destination
- The Australian government provides Tuition Protection Service (TPS) to assist international students whose education providers are unable to fully deliver their course of study
- They have good infrastructure, culture, environment and healthcare system

Students who are aspiring to pursue their higher studies in Australia can attend a study fair by Global Tree at Hyatt Place, Hyderabad, on July 30. Srikar Alapati, Managing Director, Global Tree, says, "With over 15 years of expertise, this consultancy firm has guided over 20,000 students to help fulfil their career goals. Their services include understanding the student's academic and financial
